### **PLEASE READ THIS**

Thank you for considering New Mexico Rural Rehabilitation Corporation for financing your student loan.

Before returning the application to our office please be sure to read thoroughly the enclosed information and then **completely fill out the entire application and associated papers, paying special attention to areas that need signatures both front and back.**

When returning the application to our office for approval there will be a few things needed. **All borrowers must have these documents.**

**If borrower is going to be responsible for making payment, borrower MUST have a checking or savings account.**

Copies of Borrower and Co-Signer drivers license and previous years W2 form. We can make copies in our office if you have these documents with you.

We will also need a blank, voided check from the account the payment is to be deducted from.

At this point we will do a credit check. If approved we will contact you and set a time for you to return to our office and finalize your loan paperwork and pick up your student loan check.

If your Co-Signers credit is not approved you may get a second Co-Signer. Applications for this are available in our office. A \$15.00 fee will be charged to do second Co-Signer credit checks. Co-signer must have minimum credit score of 650 for approval.

Please call our office at 505-256-7649 before coming in. Most of our business is outside our office and we travel a lot.

Please call the above number if you have any questions.

Thank you,

Drew Olmsted
