### **Right of Rescission**

Depending on the type of loan obtained from New Mexico Rural Rehabilitation Corporation, a 3 day right of rescission may apply.

Mandated by the State, this 3 day period means that funds are held in escrow by the Title Company or closing agent for 3 business days to allow you an opportunity to change your mind about the loan. During this 3 day period, no interest will accrue on your loan. At the end of this period, you may obtain your check from the closing agent.
